

More than a home

So what is the **economic and social impact** of the Trust's **2014 -2018 development programme?**

The Wrekin
Housing Trust

homes

By **2033** no. of households in our area to rise by

361,000

and there's already a **shortage of affordable homes**

But we're **building**

2,000

new

homes 😊

across T&W, Shropshire & Staffordshire

jobs

Our housing programme will create

200 new jobs

in construction apprenticeships

5,000 jobs

in wider community

local business

For every **£1** spent **£3** is generated in the economy

Our development programme will generate

£600m

Our 'buy local' policy will **keep this money in local communities**

community

Building homes
Providing jobs
Boosting local business

Thriving communities

Thriving communities

Schools, pubs, shops, clubs and more!

A house has a price, a home has a value
